CSE December 23rd 2019

***The newly elected SUD team thanks you
for your votes !***

***You can count on us anytime to defend your rights
and improve your working conditions.***

The CSE has been set up on the 23rd of December. Once again, a manager, preferably to an employee, has been chosen for Secretary !

UNSA clearly has some problems in dealing with mathematics:

- Managers represent less than 10% of the staff, nevertheless a manager is elected as secretary
- The secretary, the treasurer, and their deputies, as well as 11 out of the 12 members of different committees are also members of UNSA, when they did not get 91.67% of the votes...
- 2/3 of the employees are women, but UNSA chose that 2/3 of the Professional Equality Committee would be men !

The first decision of our new CSE:

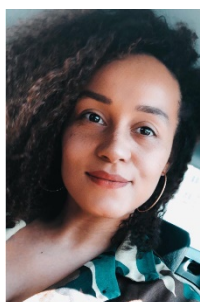

- The majority approved the amount of 100€ to be spent on gift cards. We chose not to vote, as we are not against the idea.
BUT ! We think the budget for social and cultural activities should not only be used to distribute gift cards or holidays vouchers, as it was the case for the two previous years.
